24th Sunday in Ordinary Time Year A

CHANGE OF MASS TIME

After much prayer and deliberation and my consultation with the Parish Pastoral Council and the wider parish community, I have decided to change the Sunday morning Mass time at St Dominic's to 10.00am.

I like to be able to greet people before Mass and spend time with them after Mass at both churches.

I've found that I am unable to talk with the parishioners at OLGc after Mass because I am in a rush to get to St Dominic's.

So commencing next weekend of 19/20 Sept, the Mass times will be as follows:

Saturday 6.00pm Innaloo

Sunday 8.00am Karrinyup

Sunday 10.00am Innaloo

I pray it will not inconvenience too many, but I would like to try this arrangement for the next six months.

PARISH RETREAT

“Walking the Way of Faith in an Age of Uncertainty”

A special thank you goes to Fr Tony Chiera, the Vicar General of the Bunbury Diocese, who came and facilitated our Parish Retreat “Walking the Way of Faith in an Age of Uncertainty.” Fr Tony's ability to present a topic in an interesting and informative manner made for a memorable morning and we are grateful for the sharing of his time and talent with us. We also thank Leon Bolding, our Principal of St Dominic's, for his support of this Parish endeavour and for organising and setting up the venue. Finally, our gratitude to all who attended and participated in the Retreat. My hope is that you were able to take home something of value to help you on the road ahead.

Child Protection Week Mass Sunday 13th Sept

It is a time to reflect and acknowledge on putting the needs of children first – the theme for this year's *National Child Protection Week*. The Safeguarding Office is responsible for ensuring the safety of children, young people and the vulnerable within the confines of the Catholic Church across the Archdiocese of Perth, educating the Catholic community on child protection and protective behaviours, and establishing Safeguarding Officers within Perth's metropolitan and rural parishes.

Our Catholic faith is the lens in which we view the world. This week is a time to reflect on our moral and Christian responsibilities to protect children from harm and act when the safety and wellbeing of a child is at risk.

Today we also thank the safeguarding officers for their constant vigilance and support here and across other parishes.

May we reflect on this Sunday dedicated to Child Protection to see what else may be required by all of us in our work for God's kingdom of love and peace. Please visit <http://safeguarding.perthcatholic.org.au>.

Invitation to attend a Draw Near Faith & Social Reality 24th September 6.00pm

As you know, the Draw Near Program is collecting food and hygiene items for vulnerable people at this time of COVID-19. The minority group we are helping includes international students, people seeking asylum and the housebound in the local neighbourhood. As part of the Program, a 60 minute-masterclass will be offered at St Dominic's Parish Centre. The masterclass will be on: the Gospel message ‘neighbourly love’ and provide information from government on persons seeking asylum.
