Fourth Sunday of Ordinary Time

Reflection:

This year our parish will have a special experience of Lent. It will be a time of feeling welcomed, that each person in their own way feels and knows that they have a place in our parish community. That each person, in their own way, also has a part to play in everyone feeling they belong to our community. How we will do this in Lent will be explained over the next few weeks, as we approach Ash Wednesday (26 Feb.) Like Simeon and Anna of today's Gospel, we too welcome Jesus into our lives. We welcome Him personally, individually into our hearts and we welcome Him into the Heart of our parish community. How true is this for me, would I like to experience this more deeply, more personally?

St Vincent de Paul Society

New members are urgently required to join our Conference to help needy people in our local community. If you can spare approx. one and a half hours a week to help others and attend two meetings a month then consider joining our group. Lots of support and training is provided. Come along to a meeting and find out what we do. All enquiries welcome. Phone Barbara 94465324.
