First Sunday in Advent

Reflection:

Paul believes in the promise God has made to us in Christ. If we wake up, he tells us, we can trust God will act decisively in the future. In fact, if we open our eyes we can see God has already begun to heal our brokenness, forgive our sins and, we believe, overcome death.

So, we ask ourselves:

- While we wait for Christ's return how do you experience his presence now in your life?
- What are the works of darkness Paul warns us about?
- How can we follow his advise and "Put on the Lord Jesus?"

The Advent Wreath

Within the four weeks of the Advent season the Church's liturgy draws attention to different facets of how God's plan has been revealed in Christ, is now revealed in every Mass we celebrate, and that Christ will be revealed in his glory, when he comes again at a time we do not know.

The first candle of the Advent Wreath is often named the Prophets' Candle as the prophets prepared the way for the future coming of the Messiah.
