Fourth Sunday in Ordinary Time

Reflection:

The kind of love (agape) Paul extols is only possible for us because of the power of the Holy Spirit. There are, he says, many special gifts of the Spirit, but love is the most important for the individual Christian and for the whole Christian community.

So, we ask ourselves:

- Do we agree with Paul that love, the greatest virtue, will hold the whole community together?
- How have we experienced that kind of love in our church community?

Sunday of The Word of God

Pope Francis has instituted the celebration of the *Sunday of the Word of God*. In Australia, The Church will celebrate this each year on the first Sunday in February. This falls on February 6th this year. To mark this day, I ask parishioners to bring their Bibles with them & during Mass the Bibles will be blest as part of our celebration.
